Wemyss Malts Release Single Cask Autumn List

Wemyss Malts is delighted to announce the release of their latest single cask malt whiskies. Each cask is a celebration of the unique and contrasting appeals of the different Scotch whisky regions. Wemyss whiskies are each identified by their natural taste and aroma and this latest range of four comprises:

- “Caribbean Fruits” – a Highland 21 year old hogshead from Glencadam Distillery
- “Honey Spice” – an Islay 20 year old butt from Bunnahabhain Distillery
- “Lemon Grove” – a Speyside 22 year old hogshead from Cragganmore Distillery
- “Vanilla Zest” – a Speyside 11 year old butt from Linkwood Distillery

Each cask has been selected by the Wemyss tasting panel, under the watchful eye of industry aficionado Charlie Maclean. The recommended retail prices are between £55 and £85 and these casks will be available in selected retailers in the UK, EU and key Asian markets.

This Wemyss single cask bottling is the first to include the name of the distillery on the front label.

Susan Colville, Regional Sales Manager for Wemyss Malts, commented: “We’ve bottled a really varied range of casks again. Following feedback from our customers, we have added the name of the distillery to the front labels for the first time; as well as our regular helpful bottling names based on the aromas and tastes found in each whisky.”
