### **Wemyss Malt's Midsummer Single Cask Release of 2016**

As we gather to celebrate the longest day – midsummer, Independent bottler Wemyss Malt's releases a gathering of nine new single cask whiskies ranging from 18 to 27 years old. As always the descriptive names of these whiskies are based on the flavours and aromas discovered by the Wemyss tasting panel.

"Summer Breeze" 1995 (20yo) single cask from Linkwood Distillery, Speyside

William Wemyss, Founder and Managing Director at Wemyss Malt's, commented: "As there are more hours of daylight today, we've released a larger batch of nine single casks to provide an opulent choice of drams to enjoy through the long evening light. From the topical "Summer Breeze" and "Fields of Barley" to "Arbor in Bloom" and "Banquet of Fruits", all are ideal for joining in with the midsummer revelries."

Selected by the ever diligent Charlie Maclean each cask is limited to only a few hundred bottles with suggested retail prices ranging from £80 to £150. These bottlings will be available in selected retailers in the UK, EU and key Asian markets.
