### **BLENDED MALT SCOTCH**

Name: "Spice King"  
Age: 8 years old  
Volume: 40%

### **Tasting notes and observations**

Colour: Copper gold

Nose: Dark red berries mingling with exotic sandalwood spiciness complement a fresh, salty maritime note.

Palate: Toasted oats with crushed peppercorns; the coastal freshness of a heather moor on a damp Scottish day. With water, a spice mix from North Africa marries with the flavours of air-dried ham.

Finish: As the peppery heat fades, a subtle smokiness is left smouldering.
