Volume: 46% Non Chill-Filtered

Tasting notes and observations

Colour: Honey gold

Nose: This "hive" sits in a grassy meadow, heavy with the scent of floral orange blossom and ripening apples.

Palate: A tingling spice dances over the tongue with zesty orange peel and the warmth of a butterscotch and honey toddy. With water, the sweetness intensifies offering toffee-dipped red apples.

Finish: The citrus juiciness lingers with a whisper of applewood smoke.
